

Wealth Management Solutions

Independent since 1985

For over 35 years, our goal has been to grow and to preserve the wealth that our clients have accumulated and to ensure that it will sustain them through retirement and provide support for future generations: With more than \$12 Billion USD in assets under management as of August 31, 2021, Bolton's network of financial professionals in the US, Europe and Latin America serve the financial needs of high net worth clients on a global basis

Global Strength and Stability of BNY Mellon

Clearing and custody of client accounts is provided by **BNY Mellon Pershing**, a wholly owned subsidiary of the **Bank of New York Mellon**. BNY Mellon Pershing, founded in 1939, is the world's largest correspondent clearing and custody firm with \$2.3 trillion in client assets and \$2 billion in net capital.* The firm is a member of the New York Stock Exchange, FINRA and SIPC. Bank of New York Mellon is the oldest US banking concern founded by Alexander Hamilton in 1784 and is ranked by *Moody's* among the safest large US banks with over \$45 trillion in assets under custody and administration*.

Customized Investment Solutions

Clients have access to the full range of customized portfolio services including discretionary and non-discretionary accounts where clients can choose the fee or commission-based relationship which best suits their objectives. Our separately managed account platforms include more than 300 money management firms focusing on domestic and international equity and fixed income positions with a complete range of investment styles and objectives. We also offer new issue securities, structured products, FOREX trading and other alternative investments.

Financial and Estate Planning

We offer the full range of planning services for clients to manage their wealth, transfer it to family members and reduce exposure to income and estate taxes including:

- Consolidated Reporting of Assets and Liabilities
- Projecting Liquidity and Cash Flow Needs
- Re-Allocating Assets to Reduce Risks
- Planning for Retirement, Education and Estate Transfers
- Establishing Tax Advantaged Structures

Our advanced planning tools and technologies allow our clients to develop comprehensive planning strategies.
